Important information about selecting a provider

Choosing a plan provider

1. Select an available provider from this directory. You will need to choose a General Dentist for your Plan Dentist. You may also find network providers on our web site at www.assurantemployeebenefits.com under "For Members" go to "Find a dentist". To select the participating network associated with your plan please refer to the cover of this directory or your dental ID card for the network name.
2. List the provider's name on your enrollment form along with the ID#. Providers not available to new patients are indicated with an * in the Status field. If you are not currently a patient, you may not select these providers.
3. If you are unable to choose a provider at the time of enrollment, you must call Customer Service at 800.443.2995 on or after your effective date of coverage and select a plan provider. You will need to have a plan provider assigned before you can make an appointment.

Changing your selected provider

You may select another available provider for your family by calling Customer Service and requesting a change of provider or by using Online Advantage for Members on our web site to change the facility. Request must be received by the 20th of the month to be effective the 1st day of the following month. Updated directories of available providers can be obtained from Customer Service or on our web site at www.assurantemployeebenefits.com.

Your dental plan is simple to use when you follow these steps:

- Verify with your Plan Dentist that you are on their roster before making a dental appointment.
- Call early for routine dental care for the best availability of appointment times.
- Be familiar with your copayment schedule to determine your costs for dental services.
- Discuss concerns regarding proposed treatments with your Plan Dentist.
- Contact customer service at 800.443.2995 for assistance with selecting or changing your Plan Dentist.

When seeking services from a specialist choose SB

Your plan may include a benefit called the Specialty Benefit (SB) that offers you several enhanced benefit options if you need to seek treatment from a dental specialist. The dental specialists who participate in the SB are noted in this directory and online. With the SB, plan benefits and out-of-pocket expenses vary depending on the option you wish to choose. We recommend that you call Customer Service at 800.443.2995 for more information on the options available to you.

Información importante sobre cómo seleccionar a un proveedor

Cómo elegir a un proveedor integrado al plan

1. Elija de este directorio a un proveedor que se encuentre disponible. Tendrá que elegir a un Dentista de Práctica General como su Dentista Integrado al Plan. También puede encontrar proveedores pertenecientes a la red en nuestro sitio Web www.assurantemployeebenefits.com en "For Members" ("Para Miembros") y haga clic en "Find a dentist" ("Encuentre a un dentista"). Para seleccionar la red participante asociada a su plan consulte la portada de este directorio o su tarjeta de identificación dental en la que aparece el nombre de la red.
2. Anote el nombre del proveedor en el formulario de registro junto con el ID#. Los proveedores que no están disponibles para pacientes nuevos han sido identificados con un * bajo la columna "Status" ("Estado"). Si actualmente usted no fuese un paciente, no podrá elegir a uno de estos proveedores.
3. Si usted no pudiese elegir a un proveedor en el momento de su registro, tiene que llamar al Centro de Servicio al Cliente al 800.443.2995 en o después de la fecha de entrada en vigencia de la cobertura y seleccionar a un proveedor integrado al plan. Se le deberá haber asignado un proveedor integrado al plan antes de que pueda hacer una cita.

Cómo cambiarse a otro proveedor

Usted puede seleccionar a otro proveedor que se encuentre disponible para su familia llamando al Centro de Servicio al Cliente y pidiendo un cambio de proveedor, o por Internet en Online Advantage for Members en nuestro sitio Web para cambiar de consultorio. La petición para el cambio tendrá que ser recibida a más tardar el 20vo día del mes para que surta efectos a partir del 1er día del mes subsiguiente. Los directorios de proveedores que se encuentran disponibles pueden obtenerse a través del Centro de Servicio al Cliente o en nuestro sitio Web en www.assurantemployeebenefits.com.

Le resultará sencillo utilizar su plan dental si sigue estos pasos:

- Antes de hacer una cita, confirme con su Dentista Integrado al Plan que usted está en su lista de pacientes.
- Llame con tiempo cuando desee hacer una cita periódica con su dentista para que tenga más opciones al elegir la hora de su cita.
- Familiarícese con la lista de copagos para determinar sus costos por los servicios de cuidado dental.
- Hable con su Dentista Integrado al Plan sobre las inquietudes que pueda tener acerca del tratamiento que el dentista le proponga.
- Llame al Centro de Servicio al Cliente al 800.443.2995 si necesita ayuda para seleccionar o cambiar a su Dentista Integrado al Plan.

Si desea recibir los servicios de un especialista, elija SB

Se plan podrá incluir un beneficio llamado Modificación al Beneficio de Especialidad (Specialty Benefit, SB) que le ofrece varias opciones de mayores beneficios si necesita recibir cuidado dental de parte de un especialista. Los especialistas dentales que participan en el SB aparecen en este directorio y en Internet. Con el SB, los beneficios del plan y los gastos a su cargo varían en función de la opción que usted elija. Le recomendamos que llame al Centro de Servicio al Cliente al 800.443.2995 para obtener información adicional sobre las opciones a su disposición.
